

F: SPEECHES DCI

Approved For Release 2000/08/24 : CIA-RDP70-00058R000100200041-3

25X1A9a

5 May 1960

Per telecon today: With further reference to the request from Dr. York for the DCI's recent speeches, other than "commencement speeches," herewith is one copy each of his major addresses since the July 1959 address at NWC, which I sent you yesterday. All of the attached speeches were fully reported, I am sure, either in the NY TIMES or other NY newspapers in which Dr. York may have read of the speech in question.
